Nature of Complaint:

Consumer states that they never received notification that the power lines were going to cross her property. She found out about the line siting meeting yesterday through a friend. She owns 2 parcels of land each is 20 acres in size. If this line goes through the property it will greatly bring the value of the property down. According to consumer this line will take up about two-thirds of her property. The property descriptions are as follows:

Parcel #1 - South half of SE 1/4 of the SE 1/4 of the SW 1/4 of Section 30, T6N, R2W

Parcel #2 - SE 1/4 of SW 1/4 of Section 30, T6N, R2W except the S 1/2 of the SE 1/2 of the SE 1/4 of the SW 1/4 of Section 30, T6N, R2W

She does not want the line going through her property.
