Re: Support for Tonto Village Water Company's 3-2-09 Objection to Staff
Recommendation that Rate Case be Withdrawn on W-01580A-07-0707 and W-01580A-08-0209

Tonto Village Domestic Water Improvement District strongly supports the logic expressed by Mr. Gliege in his Objection to Staff Recommendation that Rate Case Be Withdrawn. We agree that for the Company to withdraw the application at this time would be a waste of the Company's resources which went into the preparation of the Rate Case Application filed 12-27-07.

Therefore, we respectfully request the 2007 water rate case be allowed to remain on the docket and that hearings be set on the same as quickly as possible so the Company can have the benefit of an incremental rate increase sooner, rather than later, to be able to allow the Company to economically afford better service to the residents of the Village.
