Re: Docket No. T-20398A-08-0463 – withdrawal of all filings, and request that this docket be closed

Dear Sir or Madam:

Navigator Telecommunications, LLC. (“Navigator”) was granted a Certificate of Convenience and Necessity for authority to provide resold local exchange, facilities based local exchange and access telecommunications services in Arizona by the Commission in Docket No. T-20398A-06-0346, Decision No. 69884. To date, Navigator has not yet begun offering local exchange and access services in Arizona.

Navigator requested a change in the bond requirement and requested an extension of time to comply with the requirements of Decision 69884 in Docket No. T-20398A-06-0346. That request was filed in this Docket No. T-20398A-08-0463.

Upon advice by Commission Staff, Navigator withdrew its request for an extension of time in this Docket No. T-20398A-08-0463, and instead refilled that request for extension of time in Docket No. T-20398A-06-0346. At that time Navigator also requested a cancellation solely of that portion of its CCN for the provision of facilities-based local services granted in Decision 69884 in Docket No. T-20398A-06-0346. Commensurate with that request, Navigator respectfully requested that the Commission also reconsider the amount of the bond/letter of credit requirement in light of that cancellation as well as in consideration of the facts as stated in Navigator’s initial filing and subsequent responses to Staff’s data requests in this Docket.

After further consultation with Commission Staff, Navigator now respectfully requests that all filings in this Docket No. T-20398A-08-0463 be withdrawn and this docket closed.

An original and thirteen (13) copies of this request are enclosed. Please contact me directly should you require any additional information or have any questions or concerns. Thank you for your consideration of this matter.

Respectfully submitted,
