Case Number 2008-687  
RE: State v. Kuykendall, Morris

Dear Mr. Noyes,

This is a petition for Mr. Kuykendall and in response to your letters received in July and August 2008. It is important for you to know we do not consider ourselves victims! Mr. Kuykendall did not approach us – we approached him. We are a small group of friends and we knew the return of our money would depend on the market. Not only was our investments secured by a promissory note and secured by real property but Mr. Kuykendall's personal promise was good enough for us. We feel Mr. Kuykendall is a man of integrity.

We understand that the real estate market has slowed down and profits have fallen 50% or more. This has slowed down the payments to us from Mr. Kuykendall but we all know that we will continue to get paid as he promised. To date, Mr. Kuykendall has used creative ways to pay us with real estate notes, monies from business and personal assets.

We feel the charges against Mr. Kuykendall are unfounded and all charges should be dropped. As you can see we are all in support of Mr. Kuykendall, and will continue to do business with him when it is possible.

The following investors have signed this petition in order to free Mr. Kuykendall from any charges.

1. Henry Sells: Paid in full \_\_\_\_\_
2. Rose Wian: Paid in full \_\_\_\_\_
