On March 2, 2009, the Company filed an amended application indicating it is seeking a CC&N for resold and facilities-based local telecommunications services within the State of Arizona. The Amended Application submitted is not yet sufficient. This data request lists the information Staff needs to complete its analysis of your application. Please consider this Staff's Second Set of data requests to CVC in the above referenced matter. Please note that all questions are based on the Amended Application.

For purposes of this data request set, the words "CVC", "Applicant", the "Company", "you", and "your" refer to CVC CLEC, LLC, any representative, including every person and/or entity acting with, under the control of, or on behalf of CVC CLEC, LLC. **For each answer, please identify by name, title, e-mail address, telephone number and address each person providing the information that forms the basis for the response provided.**

Please provide Docket Control with the information being requested within **60 days** of the date of this letter. Mail an original plus 13 copies to Docket Control, Arizona Corporation Commission, 1200 W. Washington Street, Phoenix, AZ 85007-2927. If no response is received,

If the Application is terminated, the Applicant will not be authorized to provide the requested telecommunications services in the state of Arizona, until such time as a new Application is filed with and approved by the Commission.
