APPLICANT'S RESPONSE TO
STAFF'S SECOND SET OF DATA REQUESTS

TO THE HONORABLE COMMISSION:

COMES NOW, CVC CLEC, LLC (Applicant) and responds to Staff's Data Requests as follows:

LLM 2.1 Referencing the Company's amended application, item A-19, the Company states it does not currently provide telecommunications services in any other state although it has applications to provide service in Montana and North Dakota. The application instructions state "If the Applicant does not currently provide telecommunications services that the Applicant intends to provide in Arizona in five or less states, list the key personnel employed by the Applicant. Indicate each employee's name, title, position, description of their work experience, and years of service in the telecommunications service industry." Please provide a list of each key personnel employed by the Company and indicate their name, title, position, description of their work experience, and years of service in the telecommunications service industry.

ANSWER: See attached Response to LLM 2.1.

LLM 2.2 Referencing the Company's amended application, item A-19, the Company states it does not currently provide telecommunications services in any other state but in Montana, the Applicant is in the process of obtaining an interconnection agreement with Qwest.

a. When does the Company anticipate it will start providing service in Montana and North Dakota?

ANSWER: The Company expects it will start operations by selling wholesale services to other CLECs not later than the end of 2009 in these two states as well as in Washington (state).

b. Has the Company applied for or obtained certification/registration in other state jurisdiction aside from Montana and North Dakota? If so, please list those states and the status of each certification/registration.

ANSWER: Montana, North Dakota, and Washington (state) have issued certifications to Applicant. Applications have been filed with the utility commissions of Arizona, South Dakota and Iowa; these applications are pending.
