Phoenix, Arizona 85007

RE: DOCKET NO. E-04204A-08-0589

Dear Chairman Mayes

I am writing asking you and the other members of the Arizona Corporation Commission to move forward with the earlier settlement agreement decision for Unisource Energy Services (UES) to fulfill their obligation to provide a scholarship program to high school students in Santa Cruz County.

The City of Nogales and County of Santa Cruz have been requested by interested parties to move forward with a resolution supporting the enforcement of the settlement agreement by the Corporation Commission. Unisource Energy Services took on that obligation when they purchased Citizens Utility.

I encourage the Corporation Commission to take an action to enforce the settlement agreement. Many high school students in Santa Cruz County would benefit from the opportunity to receive a scholarship to continue their education.

Thank you in advance for your attention to this important community matter.

Sincerely,

Ron Campana
