NEWMAN PROPOSED AMENDMENT # 1

TIME/DATE PREPARED: March 30, 2009/12:02 p.m.
 COMPANY: Arizona Public Service Company
 DOCKET NOS. E-01345A-03-0437 and E-01345A-05-0526
 OPEN MEETING DATE: March 31 and April 1, 2009 AGENDA ITEM NO. U-20

Page 5, between line 16 and line 17, INSERT a new Finding of Fact to read:

“In order to protect APS’ low income residential customers from an increase in their monthly bills, we believe that any residential customer on an APS low income discount rate should not be charged the DSMAC rate at this time. The monies that APS would otherwise recover from the low income residential customers should be retained in APS’ DSMAC account and be dealt with in APS’ pending rate case in Docket No. E-01345A-08-0172. In APS’ pending rate case we will consider how APS will recover these funds. This initiative would have no effect on the DSMAC rate all other retail customers would pay at this time.”

Page 6, between line 6 and line 7, insert a new Ordering Paragraph to read:

“IT IS FURTHER ORDERED that any residential customer on an Arizona Public Service Company low income discount rate shall not be charged the Demand-Side Management Adjustor Charge rate and the monies that Arizona Public Service Company would otherwise recover from the low income residential customers shall be retained in Arizona Public Service Company’s Demand-Side Management Adjustor Charge account and be dealt with in Arizona Public Service Company’s pending rate case in Docket No. E-01345A-08-0172.”

“IT IS FURTHER ORDERED that Arizona Public Service Company shall provide appropriate notice of the Commission’s consideration of this matter (exempting low income customers for DSMAC and recovery of DSMAC funds not paid by low income customers) in its pending rate case to its customers and all parties of record in its last permanent rate case and its pending rate case.”
