RE: Motion to Intervene Odekoven/Beaver Dam Water Company Docket No.  
W-03067A-08-0380

Mr. Odekoven

We have reviewed your comments with regard to the above referenced lot and found that from when you purchased the lot 524 from Barbra Lefler 03-03-04 thru the period 10-05-04 that meter readings were correct however, from 10-5-04 thru 5-05-05 your account was billed for 129,139 gallons of water that was not used. Therefore, we are refunding you the amount of \$207.50.

The Company does not show that you paid a meter deposit. The Company executed an agreement with the Leflers wherein we agreed to refund 10% of the annual water sales not to exceed the Line Extension fee for a period of 10 years. The Leflers received their annual refund beginning 1996 – 2003 in the amount of \$194.53. There is a \$43.82 amount due for 2004. We are refunding that amount to you assuming that Leflers have assigned you as a successor of their agreement.

We appreciate you bringing this to our attention. However, if you had contacted us or the Arizona Corporation Commission in 2005 we could have taken care of it then.

Beaver Dam Water Company has served at least 1 of your 3 lots for over 5 years without any problems and to say that we are dishonest because there was a mistake made in your meter reading for 4 months which was never brought to our attention is an unfair statement.

We believe that the reason you drilled your own well was that the Company caught you serving 2 lots off of one residential meter. Dishonesty is serving 2 lots off of one residential meter.

Sincerely,

Bob Frisby, Manager  
Beaver Dam Water Company
