Re: Compliance Notice - T-20515A-07-0133 (Decision No. 70039)

To the ACC Compliance Division:

This firm represents Gila Local Exchange Carrier ("GLEC" or "the Company") in Arizona. By way of this letter, GLEC respectfully advises the Arizona Corporation Commission that it will be operating in Arizona under the trade name Alluvion Communications. There has been no change in control, operations or management of the Company.

Because GLEC was only recently granted a certificate of convenience and necessity, customers were provided with notice of this trade name during their initial contact with the Company. Additionally, all required documents have been filed with the Secretary of State for use of this trade name. GLEC, which is known to customers as Alluvion Communications, will continue to offer the same services at the same rates, terms and conditions as at present.

The tariff filed by GLEC with the Arizona Corporation Commission reflects the Company's full legal name and also references the Alluvion Communications trade name. Upon review of Arizona statutes and Commission regulations, it is our understanding that Commission approval is not required for trade name use. Should the Commission believe that any other action is required, we respectfully request that the Commission notify the undersigned at its earliest convenience.

Respectfully submitted,

Joan S. Burke
