RE: Beaver Dam Water Company Docket NO. W-03067A-08-0380, W-03067A-08-0266

This document is in response to the Procedural Order issued January 23, 2009 by Judge Dwight D. Nodes.

The Arizona Corporation Commission Docket Control filed the Staff Report on e-Docket April 7, 2009. The Company has several issues that need to be addressed with regard to the Staff report. However, the Company's CPA Brent Jensen's time has been previously scheduled to work with other client because of the Federal and State tax deadline April 15, 2009.

The Company had a conference call with Gordon Fox and Brendan Aladi this morning to try to resolve some of the issue's, but more time is need.

We therefore ask for an extension of additional 10 days so that the Company can file its written response to the Staff Report no later that April 24, 2009.

Very Truly Yours
