Re: Finance Application Docket # W-01676A-09-0147

On March 5, 2009 Pineview Water Company filed an application for a grant with the Water Infrastructure Finance Authority (WIFA).

As a result, on March 20, 2009 Pineview Water Company filed a Finance Application with the Arizona Corporation Commission.

The application was requesting an approval for a Grant from WIFA in the amount of \$200,000. These funds are to be used to finish "The Project" that was approved by the Commission in 2005.

At this time Pineview Water Company would like to amend the application. It is now our understanding that the Grant being requested from WIFA is actually a Grant/Loan whereas a portion of the Grant must be considered a loan that must be paid back.

As a result Pineview Water Company would like to amend the application to state Grant/Loan. The Grant amount requested is \$113,589. The **loan amount** requested is **\$28,400**. The total amount being requested from WIFA is \$141,989.

Sincerely,

Ronald L. McDonald
