Re: *Report Regarding Layoff of AT&T Employees in Arizona Pursuant to Decision No. 68865; Docket Nos. T-02428A-06-0203, T-03016A-06-0203, T-03116A-06-0203, T-03287A-06-0203 and T-03346A-06-0203*

Dear Mr. Johnson:

On behalf of AT&T Inc. ("AT&T"), the purpose of this report is to provide further information regarding twenty-four (24) AT&T employees located in Arizona that were given notice of a surplus condition. AT&T notified the Commission of these potential layoffs on December 4, 2008. No facility closure was involved. This report is provided pursuant to the third ordering paragraph of Decision No. 68865.

The layoffs being considered were intended to improve efficiencies and reduce business expenses. The proposed reduction involved management employees in the Business Solutions Organization who performed sales or service management functions for business customers. In an effort to redeploy these employees within AT&T, the employees retained access to the internal AT&T job search system. Two of the employees secured a different assignment within AT&T. The remaining twenty-two employees were not able to locate another position and thus received a severance package. If you have any questions regarding this report, please feel free to contact me at (512) 870-2280.

Very truly yours,

Sharon Mullin
