**SUPPLEMENTAL REPORT TO
ADMINISTRATIVE LAW JUDGE**

The Court requested information related to Yavapai County taxes. There are three systems with delinquencies that will be fully retired by monthly payments consistent with the March 26, 2009 “form” agreement drafted by the Yavapai County Treasurer and executed by Wilhoit Water, through its officer, March 30, 2009 (Exhibit A). Because a staff question arose, a supplemental letter executed by the County Treasurer is attached to clarify the contractual intent (Exhibit B).

1 Past questions have been raised about the Avondale issue, a separate system now
2 controlled by the City of Avondale, where the transaction closed some four years and
3 four months ago. Attached is confirming correspondence indicating that that matter nears
4 resolution with the Maricopa County Treasurer through the good offices of the City of
5 Avondale (Exhibit C).

Re: Wilhoit Water Company

Dear Mr. Jacobs:

Our purpose, of course, is to continue water service for those Yavapai County residents that are subject to the company's areas of service. We have a status conference scheduled by the Arizona Corporation Commission for Thursday, April 2, 2009 at 2:00 p.m.

Ayesha Vohra, of the Arizona Corporation Commission, called Doug Martin, of our office, indicating that the Corporation Commission staff had reached a legal conclusion that the March 26, 2009 correspondence executed by David Conlin March 30, 2009, relating to back taxes, was not a binding agreement binding the Wilhoit Water Company. It is our understanding that Yavapai County drafted this form that you customarily use to resolve similar tax issues and that the intent was to create a binding agreement. That is how the Wilhoit Water Company understands it.

We do understand that the payments commence May 1, 2009 in the amounts set forth in the agreement. If this is also your understanding as to contractual formation, would you please initial this correspondence on behalf of Yavapai County and return it to us so that we can satisfy the legitimate concerns of the Arizona Corporation Commission?

Cordially,

James K. West

Re: Wilhoit Water Company
Parcel Numbers 629-99-200 and 629-99-230
Docket No. W-02065A-03-0490

Dear Ms. Wallace:

This firm represents the City of Avondale (the "City") and Andrew McGuire serves as the City Attorney.

On December 1, 2003, Judge Amanda Pope's Opinion and Order stated that Wilhoit Water Company's ("Wilhoit") Application to Sell that area of the City known as Glenarm Farms (the "Glenarm Farms Systems") to the City is approved, conditioned upon the following four conditions:

1. Wilhoit shall file with the Arizona Corporation Commission (the "Commission") evidence that the outstanding tax liens and any subsequent accrual of interest have been satisfied before the close of escrow.
2. Wilhoit shall refund any outstanding customer deposits.
3. Wilhoit shall refund any outstanding main extension agreements.
4. Wilhoit shall file a Backflow Prevention Tariff for each of its other operating systems.

Ms. Vicki Wallace
Wilhoit Water Company
April 1, 2009
Page 2

I have enclosed a Declaration from Anne Conlin, an officer of Wilhoit, stating that conditions two through four have been satisfied.

Andrew McGuire has been in contact with Mr. Charles "Hos" Hoskins at the Maricopa County Treasurer's Office regarding condition number one – the outstanding tax liability. Mr. Hoskins has stated that if the City sends a check for \$50,000.00 to Maricopa County to settle the remaining tax issue with respect to the Glenarm Farms System, then he has agreed to place the Abatement Resolutions on the Maricopa County Board of Supervisors (the "Board of Supervisors") agenda with a recommendation for approval.

Prior to the City sending a check for \$50,000.00 to the Board of Supervisors to resolve the outstanding tax liability, the City needs assurance that, upon receipt of the Abatement Resolutions from the Board of Supervisors, the Commission will (i) consider condition one above as satisfied, (ii) unconditionally approve the sale of the Glenarm Farms System and (iii) close the Commission's case and that portion of Wilhoit's Certificate of Convenience and Necessity authorizing the provision of water services to the Glenarm Farms System will be canceled without further Order of the Commission.

Thank you again for your time and attention to this important matter. Please contact me if you have any questions or if you require further information.

Sincerely,

Sarah C. Smith
For the Firm

DECLARATION OF ANNE CONLIN

Anne Conlin declares as follows:

- 1) I am an officer of Wilhoit Water and hold the office of Vice-President.
- 2) I have the authority to make this Declaration based upon my review of the operating records of Wilhoit Water Co., previously managed by my now deceased uncle, Robert Conlin.
- 3) I am aware of the September 1, 2003 Order of Administrative Law Judge Amanda Pope including conditions for approval of the sale of the water system to the City of Avondale sale.
- 4) I am informed that the City of Avondale is directly handling the outstanding real property tax issue set forth in Paragraph One for assets Avondale new owner.
- 5) Based on my review of the records, Wilhoit has done the refunding required concerning outstanding customer deposits and main extension agreements. Pursuant to Paragraphs Two and Three of that same Order, I see that Wilhoit has filed a Back Flow Prevention Tariff for each of the operating systems.

EXECUTED on the 26th day of February, 2009.
