RE: Environmental Portfolio Standard
Docket No. RE-00000C-00-0377

Dear Ms McKinney:

Thank you for your letter supporting our Commission's Environmental Portfolio Standard ("EPS"). I share the concerns you have raised on behalf of Northern Arizona and the Greater Flagstaff Economic Council.

The Commission has an open docket on the EPS rules, and this correspondence and your February 19, 2004 letter will be placed in that docket.

I view biomass as integral to the Greater Flagstaff Economic Council's job of promoting economic growth. I believe this is consistent with the Commission's goal to protect the environment. I would be happy to meet with you to discuss this issue further.

Very truly yours,

Marc Spitzer
Chairman
