Re: Scottsdale Ranch DAS sites

Dear Stephen:

On behalf of the Scottsdale Ranch Community Association (SRCA), I would like to thank you for taking the time over the last 9 months to work with our community and its residents about their concerns over the proposed DAS sites in our area.

As you know, a project of this magnitude in our area has raised many concerns. However, we feel that after the numerous community meetings and subsequent site relocations, the proposed locations have addressed most of the issues our residents were experiencing and minimized the aesthetic impacts to our community. The SRCA Board of Directors will continue to work with Newpath on lease negotiations for the sites that are located outside of the right-of-ways in the association's common areas.

Again, SRCA appreciates all the time and effort Newpath has expended to address the concerns of our community.

Sincerely,

A handwritten signature in black ink, appearing to read "Kathie M. Barnes".

Kathie M. Barnes, PCAM
Executive Director
