AZ CORP COMMISSION
DOCKET CONTROL

IN THE MATTER OF THE APPLICATION OF
DS WATER COMPANY FOR APPROVAL OF
A RATE INCREASE.

DOCKET NO. W-04049A-08-0339

STAFF'S MOTION TO SUSPEND
TIME CLOCK

Staff of the Arizona Corporation Commission ("Staff") requests a 90-day extension of the time to file its Staff Report that is currently due on May 13, 2009. Staff further requests a 90-day suspension of the time clock in this matter. DS Water Company ("Company") is a Class D Utility. The Company filed its rate application on July 3, 2008. Staff found the Company's application sufficient and issued a set of data requests to the Company on February 27, 2009. The Company's responses to the data requests were due on or before March 9, 2009. The Company has asked for multiple extensions of time to respond to Staff's data requests. While the Company claims it will be able to provide its responses the week of April 27, 2009, there is no guarantee this will actually happen. In addition, even if the Company does issue its responses the week of April 27, this will not give Staff sufficient time to complete its analysis and submit its Staff report by the May 13, 2009 deadline. Staff contacted the Company's representative Rick Holm about this request, and Mr. Holm does not object to a 90-day extension.

RESPECTFULLY SUBMITTED this 27th day of April, 2009.
