**Q. PLEASE STATE YOUR NAME AND TITLE.**

A. My name is Roy Lathrop. I am an Economist in the Regulatory Analysis group of WorldCom Inc.'s ("WorldCom") Law and Public Policy Section.

**Q. ARE YOU THE SAME ROY LATHROP THAT FILED DIRECT TESTIMONY ON MAY 16, 2001 AND ERRATA TESTIMONY ON JUNE 25, 2001 IN THIS PROCEEDING?**

A. Yes, I am.

**Q. WHAT IS THE PURPOSE OF YOUR TESTIMONY?**

A. The purpose of my testimony is to provide costs for certain collocation-related components that were unintentionally excluded from the recommendations made in my Direct Testimony. (The recommended costs failed to appear with the rest of my recommendations in Mr. Hydock's Exhibit MH-1 filed on May 16, 2001.)

For virtual collocation, the per shelf equipment bay cost is \$3.16 per month. For cageless collocation, each additional equipment bay cost has two components, a monthly recurring cost spread over five years of \$6.74 per month and an ongoing monthly recurring cost of \$0.43 per month. In addition, in my Direct Testimony I proposed to cost separately power feed costs (as well as other

components) rather than agree with the structure of Qwest's proposed "space construction" cost (for caged and cageless collocation) that combines several components, including a power feed. While my recommended power feed costs appeared for caged collocation, the power feed costs for cageless collocation were not listed. Those costs appear below.

<u>Feed Size</u>	<u>Recurring</u>	<u>Nonrecurring</u>
20amp	\$ 7.47	\$ 4923.58
30amp	\$ 8.44	\$ 5567.14
40amp	\$ 9.85	\$ 6491.53
60amp	\$12.04	\$ 7935.89

**Q. DOES THIS CONCLUDE YOUR TESTIMONY?**

**A. Yes.**
