| <b>Bona Fide Request Process</b>                                       |             |   |   |   |
| Processing Fee   |             | \$2,367.93                              | Agreement of Parties  |   |

\* Designation of issues for Phase III is not final and may change based upon the Commission's final order  
Staff has identified several additional issues in its Exceptions which may be appropriate for review in Phase III also

While Parties believe the rates for intrabuilding cable and on premises wiring should be the same, Qwest believes the rate should be \$1.19 and Cox believes the rate should be the HAI Model number for the intrabuilding cable/on premises wire rate.
