Gentlemen

Re: Docket # SW-02361A-08-0609

I am opposed to the application of Black Mt Sewer Corp for a 57.83% INCREASE in sewer fees. This application is to come before you on 9/21/09.

It would increase my monthly sewer rate from \$45.64/mo to \$71.08/mo. This rate increase is ridiculous, particularly in these economic times. We live on a fixed income + find it hard to deal with these kind of increases.

Please vote against this proposed hike in sewer rates. Thank you so much for your continued interest in the homeowner, rather than big business.

Sincerely
David Miller

Docket No SW 02361A-08-0609

We would like to express our opposition to the pending increase of 57.83% in our monthly sewer fees. We believe Black Mountain Sewer has overcharged Winfield homeowners for their services.

Adjacent Scottsdale communities pay substantially less fees for the same service. We live in the City of Scottsdale, but have Black Mountain as our provider.

Commissioners:

We oppose the Black Mountain Sewer Company application for the rate increase they have submitted. They are proposing a 57.83% increase which is excessive, especially in these poor economic times. A more reasonable increase might be considered by the Commission, keeping in mind that many of the company's customers are on fixed incomes. At their present proposal our sewer bill would go from \$45.64/month to \$71.08/month. Thank you for your consideration,

Mr. & Mrs Peter R. Carpenter
