**Re: Docket No. T-00000A-00-0194 and TNS Telecoms' request for payment**

Dear Commissioners and Staff:

TNS Telecoms has yet to receive full payment from Qwest Coporation for the HAI input data created in compliance with the Commission's Procedural Order on May 9, 2002. The remaining balance is \$10,000 after an initial payment of \$5,000 was made. The work of creating the input data based on Qwest customer location information was completed by TNS Telecoms and billed equally between the parties in compliance with the Arizona Corporation Commission's Procedural Order of May 9, 2002. However, to date Qwest has continued to withhold the remaining payment. TNS Telecoms asks for your assistance in obtaining payment for the remaining balance. Thank you for your assistance.

Cordially,

Charles White  
Vice President  
Marketing and Business Development
