RE: Johnson Utilities, WS-02987A-08-0180

This letter should serve as notice that Johnson Utilities has been serving the Anthem at Merrill Ranch community since its grand opening in 2006. They currently serve all of the more than 1,200 homes and will ultimately serve about two-thirds of the 8,800 homes planned for the project. The Town of Florence is the designated provider on the balance of the community.

From time to time, the development has experienced problems relating to the service of the utilities. Homeowners have experienced low water pressure and temporary loss of service. To date, Johnson Utilities have worked to correct those problems and service has been restored to their customers.

Sincerely,

Daniel R. Bonow
