RE: Arizona Public Service Notice of Joint Workshop on Renewable Transmission
Docket No. E-00000D-07-0376

Arizona Public Service ("APS") is providing notice of a joint workshop on renewable transmission. In the Fifth Biennial Transmission Assessment order (Docket No. E-00000D-07-0376 and Decision No. 70635), Commission regulated utilities are required to by April 30, 2009, conduct a joint workshop or series of planning meetings to develop ways in which new transmission projects can be identified, approved for construction, and financed in a manner that will support the growth of renewables in Arizona.

A joint workshop was held on April 20, 2009, and the participants agreed that another workshop was needed. Therefore, APS is providing notice that the second joint workshop to address renewable related transmission issues has been scheduled on June 5, 2009 beginning at 9:30 a.m. in the Arizona Corporation Commission's hearing room at 1200 West Washington Street, Phoenix, AZ 85007. A meeting agenda will follow.

If you have any questions please contact Jeff Johnson at 602-250-2661.

Sincerely,

Leland R. Snook
