DECISION NO. 70971

**ORDER CANCELLING CC&N

BY THE COMMISSION:

Having considered the entire record herein and being fully advised in the premises, the
 Commission finds, concludes, and orders that:

FINDINGS OF FACT

1. On August 28, 2007, the Arizona Corporation Commission ("Commission") issued
 Decision No. 69884, granting Navigator Telecommunications, LLC ("Navigator") a CC&N to
 provide competitive resold local exchange, facilities-based local exchange, and access
 telecommunications services in Arizona. The Decision ordered, among other things, that Navigator
 obtain and docket proof of a performance bond or irrevocable sight draft letter of credit in the amount
 of \$125,000 within 365 days of the effective date of the Decision or 30 days prior to the provision of
 service, whichever occurred first.

2. On September 3, 2008, Navigator filed (in Docket No. T-20398A-08-0463), a Request
 for Change in Bond Requirements and for an Extension of Time ("Request"). According to the

210
C

1 Request, Navigator has not procured a performance bond or letter of credit and has not yet begun to
2 provide local exchange and access services in Arizona. The Request also states that subsequent to the
3 issuance of Decision No. 69884, Navigator entered into an agreement with Access Integrated
4 Networks, Inc., dba Birch Communications ("Birch") whereby Navigator transferred, in 23 States, its
5 existing residential and business local and long distance customer lines to Birch. The Request further
6 states that as a result of the transaction with Birch, Navigator is restructuring its business in those
7 states, to focus on expanding its market in the customer owned pay telephone ("COPT") area.
8 According to Navigator, it has changed its business plans to focus on serving COPT and payphone
9 service providers. The Request states that due to the changes in its business plans, Navigator is
10 seeking Commission approval to reduce the amount of the performance bond or irrevocable sight
11 draft letter of credit set forth in Decision No. 69884 because Navigator plans to only provide COPT
12 services in Arizona.

13 3. On December 30, 2008, Navigator filed a second letter seeking to withdraw its
14 Request filed in Docket No. T-20398A-08-0463 and to have it filed in this docket where Decision
15 No. 69884 was issued. The letter clarifies that Navigator is requesting cancellation of only the
16 facilities-based local exchange portion of the CC&N granted in Decision No. 69884 and not the
17 resold local exchange services and access telecommunications services portion of the CC&N. The
18 letter further reiterated that no customers will be affected by cancellation of the facilities-based local
19 exchange services because Navigator had never commenced local services in Arizona. Further,
20 Navigator states that it currently has no plans to deploy facilities in Arizona, except on a resold basis.

21 4. On January 30, 2009, the Commission's Utilities Division ("Staff") docketed a
22 Memorandum¹ in response to Navigator's application. Staff's Memorandum states Staff spoke to
23 counsel for Navigator, via telephone, to discuss Navigator's request for an extension of time to file its
24 performance bond and cancellation of the facilities-based local services portion of its CC&N. Staff
25 expressed concerns that Navigator's request for an extension of time to file its performance bond or
26 irrevocable sight draft letter of credit did not state a specific length of time. Staff reasoned that

27
28 ¹ Staff docketed the same Memorandum in both the T-20398A-08-0463 and T-20398A-06-0346 dockets.

1 because the extension of time to file the performance bond or irrevocable sight draft letter of credit
2 hinged on Commission deciding whether to grant Navigator's request to cancel a portion of its
3 CC&N, the open ended extension of time was appropriate, contingent on the Commission resolving
4 the CC&N cancellation issue. Staff further noted that Decision No. 69884 required Navigator to file
5 confirming tariffs for its proposed services within 365 days of the Decision and that Navigator has
6 failed to do so. According to counsel for Navigator, the extension of time was intended to include a
7 request to extend time for Navigator to file its tariff. Based on Navigator's verbal request, Staff
8 recommends that Navigator be given an extension of time to file its performance bond contingent on
9 the Commission resolving the company's request to cancel a portion of its CC&N. Staff further
10 recommends that Navigator be required to file its tariff by March 31, 2009, and that Navigator be
11 granted no further extensions of time absent good cause.

12 5. On March 9, 2009, Navigator docketed a letter in both the above-captioned docket
13 and Docket No. T-20398A-08-0463 seeking to withdraw its request to reduce the bond amount, to
14 extend time to file its performance bond or irrevocable sight draft letter of credit and tariffs and
15 requesting that Docket No. T-20398A-08-0463 be closed. Navigator's letter further requests
16 cancellation of its CC&N in its entirety. Navigator's letter states that because Navigator has never
17 initiated local services in Arizona, no customers exist and no customers will be affected by its
18 voluntary cancellation. Further, Navigator's letter states Commission Decision No. 68928 (August
19 29, 2006) granted Navigator a CC&N to provide resold long distance services and that Navigator's
20 current request is not intended to cancel or relinquish its CC&N granted in Decision No. 68928.

21 6. On March 12, 2009, Staff docketed a second Memorandum² recommending that the
22 Commission approve Navigator's application to withdraw its request for an extension of time, cancel
23 the CC&N granted in Decision No. 69884, and that the notice requirements under Arizona
24 Administrative Code R14-2-1107 be waived since Navigator has never initiated its local services in
25 Arizona and no customers will be affected by cancellation of the CC&N.

26 7. Staff's recommendations are reasonable and should be adopted.

27
28 ² Staff docketed the Memorandum in Docket Nos. T-20398A-06-0346 and T-20398A-08-0463.

CONCLUSIONS OF LAW

3 Arizona Constitution and A.R.S. §§40-281 and 40-282.

4 2. The Commission has jurisdiction over Navigator and the subject matter in this case.

5 3. Staff's recommendations to cancel the CC&N granted in Commission Decision No.
