Litchfield Park Service Company currently has a rate increase proposal in process. This rate increase essentially will double our water bill.

We are concerned that a major factor for this increase is that LPSCO made numerous improvements last year to accommodate a proposed mall in Goodyear. The construction of said mall has been postponed indefinitely. We ask that you carefully review the request for this rate hike given the fact that these improvements were made for a commercial enterprise that may not be built any time soon. Perhaps LPSCO needs to apply for a bailout rather than reach into our pockets.
