OF THE TRANSFER OF A PORTION OF ITS
ASSETS AND CANCELLATION OF A PORTION
OF ITS CERTIFICATE OF CONVENIENCE AND
NECESSITY.

DOCKET NO. W-02065A-03-0490

DECISION NO. 71273

OPINION AND ORDER

DATE OF HEARING: December 1, 2003
PLACE OF HEARING: Phoenix, Arizona
ADMINISTRATIVE LAW JUDGE: Amanda Pope¹
APPEARANCES: Mr. Douglas G. Martin, Martin & Bell, LLC, on behalf of Wilhoit Water Company;
Ms. Carolyn Kusian Oberholtzer, Jorden, Bischoff, McGuire & Rose, P.L.C., on behalf of the City of Avondale; and
Mr. David Ronald, Staff Attorney, Legal Division, on behalf of the Utilities Division of the Arizona Corporation Commission.

BY THE COMMISSION:

On July 16, 2003, Wilhoit Water Company ("Wilhoit" or "Company") filed an application with the Commission for approval of the sale of that portion of its water company assets that are utilized to service the Glenarm Farms water system to the City of Avondale ("Avondale") and cancellation of that portion of its Certificate of Convenience and Necessity ("CC&N" or "Certificate") authorizing the provision of water services to the Glenarm Farms system ("Application").

¹ This update to Judge Pope's Recommended Opinion and Order was prepared by Administrative Law Judge Marc E. Stern who presided over another proceeding which involved this Company in Docket No. W-02065A-07-0306, *et al.* resulting in Decision No. 71234 (August 6, 2009) in which documentation was filed which satisfied the conditions set forth in the initial Recommended Opinion and Order in this proceeding.

1 By Procedural Order dated August 25, 2003, the Application was deemed administratively
2 complete pursuant to Arizona Administrative Code ("A.A.C.") R14-2-411(C) and Arizona Revised
3 Statutes ("A.R.S.") § 41-1074(C), and the matter was set for hearing on October 22, 2003.

4 Wilhoit published notice of the sale and cancellation in *Arizona Capital Times* on September
5 5, 2003 and filed an affidavit of publication on September 17, 2003. No requests for intervention
6 were filed.

7 Commission Utilities Division Staff ("Staff") filed a Staff Report on October 7, 2003
8 recommending conditional approval of the Application.

9 On October 22, 2003, a full public hearing was convened before a duly authorized
10 Administrative Law Judge of the Commission. Counsel for the Company, Staff, and the City of
11 Avondale appeared. No members of the public appeared at the hearing. The hearing adjourned, and
12 it was ordered that the hearing be continued to a later date so that the Company could provide a
13 witness capable of testifying to the underlying issues related to its Application, including but not
14 limited to an outstanding tax matter, as well as to address the argument raised by the City of
15 Avondale relating to the manner in which the outstanding tax is extinguished by operation of law.

16 On October 23, 2003, a procedural order was issued setting the hearing for December 1, 2003,
17 specifying the information, both documentary and testimonial, to be provided by Wilhoit at that
18 hearing and suspending the time clock for processing the Application during the pendency of the
19 continuance.

20 On December 1, 2003, the hearing convened and the Company, Staff, and the City of
21 Avondale appeared with counsel.

22 By its Application, Wilhoit seeks approval to sell that portion of its water company assets
23 utilized to service its Glenarm Farms water system. The Glenarm Farms system, one of four water
24 systems operated by Wilhoit,² served approximately 143 connections in the Avondale area.

25 The assets that were the subject of the sale at issue were encumbered by tax liens totaling
26 approximately \$215,000, inclusive of interest. Staff had recommended that the Company file
27 evidence that the outstanding personal property tax obligation would be paid before the close of

28 _____
² Wilhoit also operates the Yavapai Estates, Blue Hills, and Thunderbird Meadows water systems.

1 escrow. Avondale had argued that the delinquent taxes would be extinguished upon the sale of the
2 Company's assets, but Staff argued that Avondale was required to pay delinquent property taxes
3 attached to the property that they were to acquire. In fact, according to the testimony of an Avondale
4 witness in the sale proceeding, Avondale had already begun to provide service to the Company's
5 former customers in the Glenarm Farms service area in approximately September 2003.

6 On January 7, 2004, the initial Recommended Opinion and Order in this proceeding was
7 issued which conditioned approval of the sale of assets and cancellation of the Company's Certificate
8 for the Glenarm Farms service area with filing of evidence showing that the outstanding tax liens
9 totaling \$214,065.14 would be satisfied before the close of escrow or within 30 days of the effective
10 date of the Decision, whichever occurred first. Subsequently, the matter was pulled from the
11 Commission's Open Meeting agenda at the request of the Company. Although the Company ignored
12 previous requests by Staff for information concerning the transaction, while several other cases of the
13 Company were pending in Docket No. W-02065A-07-0306, *et al.*, the Company responded to a data
14 request providing a copy of its sales agreement with Avondale dated July 3, 2003, and indicating that
15 the sale consummated on September 10, 2004. However, Avondale's attorneys had been unable to
16 resolve the delinquent tax issue until only recently.

17 On April 6, 2009, the Company filed a supplemental report in Docket No. W-02065A-07-
18 0306, *et al.* which contains, as an exhibit, a copy of a letter dated April 1, 2009, from Avondale's
19 attorney to the Commission's Chief of Consumer Services, stating that Avondale was awaiting the
20 approval of an abatement resolution by the Maricopa County Board of Supervisors to settle the
21 outstanding tax delinquency for \$50,000. Additionally, a separate exhibit to the Company's
22 supplemental report contained certification from the vice president of the Company indicating that
23 the remaining conditions required by the initial Recommended Opinion and Order have all been
24 satisfied as follows: that the Company refund any outstanding customer deposits; that the Company
25 refund any outstanding main extension agreements; and that the Company file a copy of a backflow
26 prevention tariff for each of its three other operating systems.

27 Further, in the Supplemental Staff Report filed in Docket No. W-02065A-07-0306, *et al.*,
28 Staff indicated that it has confirmed that Avondale had assumed the Company's liability to Maricopa

1 County for the delinquent taxes and Staff had received a copy of Avondale's letter of transmittal that
 2 was sent to the Maricopa County Treasurer and included a \$50,000 check as payment for all back
 3 taxes.

4 On July 13, 2009, the Company filed in Docket No. W-02065A-07-0306, *et al.* a copy of the
 5 Maricopa County Board of Supervisors' agenda which confirmed their approval of Avondale's
 6 Request for Compromise and Discharge for property taxes formerly owed by the Company for its
 7 Glenarm Farms water system.

8 Under the circumstances, since the Company has now met the conditions recommended by
 9 Staff for our approval of sale of the Company's assets and the cancellation of that portion of its
 10 Certificate related to its Glenarm Farms water system, the Application should be approved.

 26 Company ("Agreement"). Under the Agreement, Avondale was to obtain all of the water
 27 transmission, distribution, and service facilities dedicated to the Glenarm Farms system as well as

16 owed \$214,065.54 in delinquent personal property taxes originally assessed on Wilhoit's Glenarm
17 Farms water system that is the subject of this asset transfer.

18 9. The Company collected property tax expenses from its customers in the Glenarm
19 Farms service area in its rates and charges.

20 10. Neither Wilhoit nor Avondale cited to specific terms of the Agreement as setting forth
21 the party responsible for payment of the delinquent personal property taxes.

22 11. Wilhoit had outstanding customer deposits, which were, pursuant to the Agreement, to
23 be refunded prior to the close of escrow.

24 12. According to the Application, Wilhoit had outstanding main extension agreements,
25 which were, pursuant to the Agreement, to be refunded at the close of escrow.⁴

26

27

28

⁴ Wilhoit's Application indicated that there were main extension agreements to be refunded and that such refunds would be made at the close of the transaction. At the hearing, Staff testified that there were no main extension agreements to be refunded.

1 3. Notice of the Application was given in accordance with the law.

2 4. There is a continuing need for water utility service in Wilhoit's Glenarm Farms
3 certified area.

4 5. The City of Avondale is a fit and proper entity to acquire and operate the assets of
5 Wilhoit's Glenarm Farms system and provide water service to Wilhoit's Glenarm Farms customers.

6 6. It is in the public interest for the City of Avondale to acquire and operate the Glenarm
7 Farms assets of Wilhoit.
