Subject: [Filter Test: C13] Sahuarita Water Rate Increase - Assistance Please

Good morning,

I am communicating with the Commission regarding the possible future public hearing for the water rate increase to occur in the town of Sahuarita.

One of the residents of the town telephoned the Manager's office a few days ago requesting that the town contact the Commission to inquire about holding any future public hearings regarding a water rate increase here in Sahuarita versus a Tucson location. I have been asked to communicate that the town can assist in facilitating a location for such a meeting when the Commission is ready to hold the public hearing.

The resident is concerned about the meeting being held in a Tucson venue versus in Sahuarita and worries that many elder residents won't be in a position to travel to Tucson for the hearing.

Please let me know if there is any additional information the Commission may need, or if it knows when the public hearing is slated to be held.

Thank you.

I have entered her request in our database and will Docketed for the record. I also emailed her formal request to our Legal Division attention Maureen Scott and Wesley Van Cleve. She thanked me for the call and information about Edocket. She was not sure exactly who she should send it to.
