Re: Comcast Business Communications, LLC – Notice of Discontinuance of Certain Telecommunications Services

Dear Sir or Madam:

Comcast Business Communications, LLC (“CBC”), by counsel, hereby gives notice to the Commission that it is discontinuing its provision of all of the services listed in its Arizona Telecommunications Tariff Number 2 (collectively, “Discontinued Services”), which CBC requests permission to withdraw. CBC plans to discontinue the Discontinued Services throughout Arizona on July 1, 2009. CBC was granted authority to provide services in Arizona on October 29, 1998 in Docket Number T-03560A-98-0251, and CBC requests that the Commission cancel the authority granted therein. *Other Comcast entities are not affected by this discontinuance, as CBC is the only Comcast entity discontinuing any service.*

CBC has two customers in Arizona that will be affected by this discontinuance. CBC sent notice of the discontinuance to the affected customers on April 23, 2009, in compliance with Ariz. Admin. Code § 14-2-1107. Attached hereto is a copy of the customer notice. CBC is no longer offering the Discontinued Services, because it is pursuing other business opportunities. CBC’s decision to no longer offer the Discontinued Services will not impact present or future public convenience and necessity, because the public can obtain the Discontinued Services from alternative providers, including Qwest.

FCC Notice

The discontinuance of your long distance service is subject to regulatory approval by the Federal Communication Commission ("FCC"). The FCC will normally authorize this proposed discontinuance of service unless it is shown that customers would be unable to receive service or a reasonable substitute from another carrier or that the public convenience and necessity is otherwise adversely affected. If you wish to object, you should file your comments as soon as possible, but no later than 15 days after the Commission releases public notice of the proposed discontinuance. Address them to the Federal Communications Commission, Wireline Competition Bureau, Competition Policy Division, Washington, DC 20554, and include in your comments a reference to the § 63.71 Application of Comcast Business Communications, LLC. Comments should include specific information about the impact of this proposed discontinuance upon you or your company, including any inability to acquire reasonable substitute service.

Comcast Business Communications regrets any inconvenience these changes may cause you.

Very truly yours,

Comcast Business Communications, LLC, Customer Service
