DOCKET NO. _____ § APPLICATION OF TEL WEST
§ COMMUNICATIONS TO
§ WITHDRAW ITS CERTIFICATE
§ OF CONVENIENCE AND NECESSITY
§ IN THE STATE OF ARIZONA

APPLICATION TO WITHDRAW CERTIFICATE OF CONVENIENCE AND
NECESSITY

COMES NOW the Petitioner, Tel West Communications, LLC, a limited liability corporation and applies to the Arizona Corporation Commission (the "Commission") to withdraw the Petitioner's Certificate of Convenience and Necessity to provide local and long distance telephone service in the State of Arizona.

I.

Pursuant to the Arizona Administrative Code section R14-2-1107, the Petitioner respectfully informs the Commission that it has no customers within the state of Arizona. The Petitioner has no plans to provide service at a future date. The Petitioner did not require deposits from its customers therefore no deposit refunds were necessary upon cessation of service.

II.

The Petitioner respectfully requests the Commission to waive AAC R14-2-1107(A)(2) and (4)¹, as well as ACC R14-2-1107(B)². The Petitioner does not currently have customers with which to provide notice or lists of alternative providers in the area and therefore it is not possible for the Petitioner to comply with notice and carrier listing requirements in the above referenced

¹Arizona Administrative Code R14-2-1107(A)(2) and (4) requires that any company wishing to discontinue or abandon local or interexchange service within the State of Arizona must provide notice verification and a list of all alternative providers within the affected geographic area, respectively.

²Arizona Administrative Code R14-2-1107(B) requires any company wishing to discontinue service must provide notice in local newspapers.

sections. Also, the Petitioner believes AAC R14-21107(B) requiring newspaper notification to be unnecessary and overly burdensome for carriers that do not currently serve customers. While the Petitioner understands the importance of the above referenced section, in particular for customers whose existing provider is abandoning service, this section is not relevant to the public interest for carriers without customers. The Petitioner believes the above reference section will only pose to delay its exit from the state while serving no greater function for the consumers of Arizona. Therefore the Petitioner requests this section be waived and the application to withdraw approved without further delay.

Conclusion

The Petitioner has provided that the above application is not in conflict with the Public Interest of the State of Arizona and therefore the Petitioner respectfully requests the Arizona Corporation Commission grant the Petitioner's request to withdraw its Certificate of Convenience and Necessity and any bond requirement be cancelled.

The Petitioner has provided a signed affidavit as Exhibit A of this Petition certifying the above stated facts. Please direct any further communications to Sheri Hicks, 4500 Bremner Drive, Austin, Texas 78749 (512) 560-0415.

Respectfully Submitted,
