NEWMAN PROPOSED AMENDMENT # 1

TIME/DATE PREPARED: May 27, 2009/8:16 a.m.

COMPANY: UNS Gas, Inc.

DOCKET NOS. G-04204A-06-0463; G-04204A-06-0013; G-0424A-05-0831

OPEN MEETING DATE: May 27-28, 2009 AGENDA ITEM NO. U-15

Page 4, after line 11, INSERT a new Finding of Fact to read:

“In order to protect UNS Gas, Inc.’s low income residential customers from an increase in their monthly bills, we believe that any residential customer on a UNS Gas, Inc.’s low income discount rate should not be charged the DSM rate at this time. The monies that UNS Gas, Inc. would otherwise recover from the low income residential customers should be retained in UNS Gas, Inc.’s DSM account and be dealt with in a future rate case or in the 2010 adjustor docket. This initiative would have no effect on the DSM rate all other retail customers would pay at this time.”

Page 5, after line 2, insert a new Ordering Paragraph to read:

“IT IS FURTHER ORDERED that any residential customer on a UNS Gas, Inc. low income discount rate shall not be charged the Demand-Side Management rate and the monies that UNS Gas, Inc. would otherwise recover from the low income residential customers shall be retained in UNS Gas, Inc.’s Demand-Side Management account and be dealt with in a future rate case or in the 2010 adjustor docket.

“IT IS FURTHER ORDERED that UNS Gas, Inc. shall provide appropriate notice of the Commission’s consideration of this matter (exempting low income customers for DSM and recovery of DSM funds not paid by low income customers) to its customers and all parties of record in its last permanent rate case.”
