Re: Docket No. W-01445A-08-0440

As an owner of a Condo in Casa Bonita, 260 Coffee Pot, Sedona, Arizona, and customer of the Arizona Water Company, I wish to object to any increase in water rates as per the application of the Arizona Water Company. The Corporation Commission is funded by the taxpayers, ostensibly to protect the consumers. In the economic downturn we are experiencing, any increase would be a hardship to the retired residents, who are not receiving a COLA in 2010, and thus should not receive a raise in water rates. This would also be a hardship on the renters residing in our little community.

We urge you to vote against any increase and certainly against any in the amount proposed.

Sincerely,
