Dear Sir or Madam:

This filing is being made on behalf of Qwest Corporation (QC), Entity Code T-01051B.

Enclosed for filing with the Commission is an original plus thirteen (13) copies of revisions to Qwest's Competitive Exchange and Network Services Price Cap Tariff No. 2.

These revisions propose to introduce trenching charges in conjunction with Network Premises Work Charges.

QC respectfully requests that these proposed changes become effective July 20, 2009.

Acknowledgment and date of receipt of this transmittal are requested. A duplicate letter and self-addressed, stamped envelope are attached for this purpose. If you have any questions regarding this filing, please contact me directly.

Sincerely,

Terry Lucas

B. Terms and Conditions (Cont'd)

6. The initial Network Premises Charge, as well as additional Network Premises Work Charges, will apply if applicable, for the first and subsequent move of network equipment, drop wire, entrance facilities, etc., on the customer's premises, made at the customer's request, as a result of the customer's remodeling/redecorating or any other customer activity requiring the first and subsequent visit for moves.
7. In cases where an existing customer requests that an aerial drop be changed to a buried one, or requests a buried drop be moved, and the Company provides the trench, the charges specified in C.3., following, will be billed in addition to the Network Premise Work Charge. In cases where the distance is greater than 600 feet, where permits are required, or where specific situations dictate, the request will be provided for as specified in Section 4 of the Exchange and Network Service Price Cap Tariff.
8. In those cases where an existing customer requests that an aerial drop be changed to a buried one, or requests a buried drop be moved and the customer has provided their own trench, the per 10 foot charge for the type of Buried Service Wire requested, which appear in C.4., following, will be billed in addition to the Network Premise Work Charge.
