Customer sent the following -

Does anyone understand the word DEPRESSION? We are in one yet every single company wants to raise rates. Instead of bailing out car companies, etc. lets concentrate on making basics affordable for EVERYONE. We all require gas and electric for necessities... Do NOT allow these companies to make these basic items unaffordable to those who need it (which does include EVERYONE).

Peoples homes are being foreclosed upon because they cannot afford to live now. Let's not make things even worse.

Thank You!
