940 Linger Dr. Lot: 310-32-181

I recently lost both of my parents to cancer and I developed an ulcer that ruptured. I was raced to the hospital where an emergency exploratory surgery was performed. I cannot afford anything and I have been trying to sell my place for two years, and after one year, cut the price in half and there as not been one interested party. Just paying the taxes is killing me and I cannot afford the association dues. Any relief would be greatly appreciated.

Sincerely Yours, Rick J. McCurdy
