Re: Colorado City Rate Tariff Filing Decision No 70979

Dear Sir/Madam:

I am the Engineering Manager for Garkane Energy Cooperative, Inc. (the "Cooperative"). I am supplying this information in compliance with the sixth ordering paragraph of Decision No. 70979 which required that Garkane file with Docket Control an updated service area map showing the modifications approved within 60 days of the Order.

Attached to this document is an original and 13 copies of the updated service area map.

On 28 May the Staff approved the form of the notice and copies of the notice was mailed to the customers on 4 June 2009. Attached to this document is an original and 13 copies of the notice and Certificate of Mailing.

Should you have any questions concerning our plans, please contact me at mavant@garkaneenergy.com.

Very truly yours,

Mike Avant
