DOCKETED BY [Signature]

THROUGH CHAIRMAN MAYES

I urge you to rule favorably on allowing solar generators installed on municipal and non taxable entities to be done so without regarding these generators as a regulated utility.

A ruling in favor of regulation would greatly hamper alternative energy in our state,

The most often asked question I get is why does not have more solar. Its seems quite natural for the state given the dgree of solar irradiance we have here. I never have a good answer.

End of Complaint

Utilities' Response:

Investigator's Comments and Disposition:

Called consumer to acknowledge receipt of opinion on behalf of Chairman Mayes.
