**RE: Commission Staff's Request for Extension of Time
Docket Nos. E-01933A-07-0402 and E-01933A-05-0650**

Dear Docket Control:

In June of 2009, Tucson Electric Power Company ("TEP") filed certain revised tariffs for Arizona Corporation Commission ("Commission") approval. Specifically, on June 11th, TEP filed its revised PS-40 Municipal Service Pricing Plan, which expanded the availability of service to customers willing to install transformers and meet technical requirements consistent with taking service at primary voltage levels. On June 16th, TEP filed all of its revised Residential Pricing Plans; the tariffs were revised for clarification purposes.

Commission Staff contacted TEP and requested a 60-day extension on the review of these tariffs; TEP does not object to this request.

Please feel free to contact me with any questions. Thank you.

Sincerely,

Michelle Livengood
