Docket No. W-03211A-08-0622

**MOTION FOR EXTENSION
OF TIME**

F. Wayne & Dorothy Thompson dba West Village Water Company ("West Village" or "Company"), requests that the Arizona Corporation Commission ("ACC") staff deadline for filing the Staff Report be extended from July 31, 2009 to September 30, 2009. The Company is making this request to give the Arizona Department of Environmental Quality ("ADEQ") more time to finalize its system evaluation.

In this matter, the Company believes the engineer's system evaluation is crucial. The Company's position is that most of the water production and distribution facilities require significant capital improvements, but it has limited funds and debt capacity, so the Company must prioritize the proposed improvements. The ADEQ system evaluation will help the Company and others assess the Company's proposed capital improvement plans.

The Company has provided this motion to Staff for review prior to filing, and the Company believes that Staff does not object to this request for additional time.

1 RESPECTFULLY SUBMITTED this 14th day of July, 2009.
