Generic Proceeding to Electric Restructuring*

Dear Commissioners:

It has come to my attention that my earlier letter dated today related to the above-referenced docket could be interpreted as a request for a continuance. That is not the intent of my letter and I would like to clarify my position.

I would like to schedule an Open Meeting at the convenience of all the Commissioners so that we can go into Executive Session to discuss the legal ramifications of a temporary suspension of certain Electric Competition Rules and Commission orders as related to the APS divestiture. The hearings on these issues, as currently scheduled, should go forth as scheduled.

I apologize for any confusion.

Sincerely,

Commissioner Jim Irvin
