Global water rate increase Page 1 of 1

Subject: Global water rate increase
Date: Thu, Jul 23, 2009 7:46 am

I am writing about docket numbers SW-20445A-09-0077,W-02451 A-09-0078,W-O1 732A-09-0079,W-20446A-09-0080,W-02450A-09-0081,W-01212A-09-0082. Please don't grant the rate increase for Global water,they claim they aren't making a profit on there investment houses are selling in Maricopa, according to the electric cc. they are servicing more customers. The article in the Maricopa,Az The Communicator newspaper stated that Maricopa residents usage is "one of the lowest per capita water consumption in the state" So they want to penalize us? Increase profits? I lost a great deal of money by buying in Maricopa will I get it back? I don't think so. But the utitly wants an increase, to make a profit. The electric rates are too high and now water co. wants more money even if we use less water, why use less water if it means a rate increase? I oppose a rate increase for Global Water.
