Subject: Thank YOU!!

Dear Chairman Mayes,

I cant' thank you enough for your thoughtful comments, the time you gave to our community to be heard, and the vote for the Amendments.

I have heard you called Amazing Mayes - and you most certainly are!

You are the best!

We will not let you down. Our Renewable Energy Committee is meeting Monday night - to continue our work. We also have a group going to the SSVEC Board meeting tomorrow morning. I hope they are ready to work with us finally.

Thank you very much,
