Publication must be completed WITHIN 60 DAYS after July 22, 2009, which is the date the document was approved for filing by the Commission. The corporation may be subject to revocation of authority if it fails to publish. You will receive an Affidavit of Publication from the newspaper, and you may file it with the Commission.

Corporations are required to file an Annual Report with the Commission. Your Annual Report is due on 07/16/2010, and on the anniversary of that date each subsequent year. You may receive a postcard reminding you to file, but even if you don't, it is your responsibility to file the corporation's Annual Report by the deadline each year. You can visit our website at [www.azcc.gov/divisions/corporations](http://www.azcc.gov/divisions/corporations) to electronically file your annual report. You can also complete the form online, print it out and mail it in, or you can call the Annual Reports section at 602-542-3285.

Corporations must notify the Commission immediately, in writing, if they change their corporate address, statutory agent, or statutory agent address. Address change orders must be signed by a duly authorized corporate officer. A forwarding order placed with the U.S. Postal Service is not sufficient to change your address with the Commission.

We strongly recommend you periodically monitor your corporation's record with the Commission, which can be viewed at [www.azcc.gov/Divisions/Corporations](http://www.azcc.gov/Divisions/Corporations). If you have questions or need further information please contact us at (602) 542-3026 in Phoenix, (520) 628-6560 in Tucson, or Toll Free (Arizona Residents only) at 1-800-345-5819.

TARIFF FORMAT

- A. Sheet Numbering – Sheet numbers appear in the heading of each sheet. Sheets are numbered sequentially. However, occasionally, when a new sheet is added between sheets already in effect, a decimal point is added. For example, a new sheet added between sheets 14 and 15 would be 14.1.
- B. Sheet Revision Numbers - Revision numbers also appear in the upper right corner of each sheet. These numbers are used to determine the most current sheet version on file with the Commission. For example, the 4th revised Sheet 14 cancels the 3rd Revised Sheet 14. Because of various suspension periods, deferrals, etc. the Commission follows in its Tariff approval process, the most current sheet number on file with the Commission is not always the sheet in effect. Consult the Check Sheet for the sheet currently in effect.
- C. Paragraph Numbering Sequence - There are nine levels of paragraph coding. Each level of code is subservient to its next higher level:
- 2.0
  - 2.1.
  - 2.1.1.
  - 2.1.1.A.
  - 2.1.1.A.i.
  - 2.1.1.A.i.a.
- D. Check Sheets - When a Tariff filing is made with the Commission, an updated Check Sheet accompanies the Tariff filing. The Check Sheet lists the sheets contained in the Tariff with a cross-reference to the current revision number. When new sheets are added, the Check Sheet is changed to reflect the revision. All revisions made in a given filing are designated by an asterisk (\*). There will be no other symbols used on this sheet if these are the only changes made to it (i.e., the format, etc., remains the same, just revised revision levels on some sheets). The Tariff user should refer to the latest Check Sheet to find if a particular sheet is the most current on file with the Commission

**NOTICE OF APPLICATION OF CONVENIENCE AND NECESSITY TO PROVIDE  
NON-SWITCHED LOCAL EXCHANGE TELECOMMUNICATIONS SERVICES  
BY TRANSTELCO, INC.**

**Docket No. \_\_\_\_\_**

Transtelco, Inc. ("Applicant") has filed with the Arizona Corporation Commission ("Commission") an application for a Certificate of Convenience and Necessity ("Certificate") to provide intrastate interexchange and non-switched local exchange telecommunications services in the State of Arizona.

The application, report of the Commission's Utilities Divisions Staff, and any written exceptions to the Staff Report prepared by the Applicant are available for inspection during regular business hours at the offices of the Commission located at 1200 West Washington Street, Phoenix, Arizona 85007, and 2533 North Carson Street, Suite 125, Carson, Nevada 89706 and on the internet via the Commission website (<http://www.cc.state.az.us>) using the e-docket function.

Under appropriate circumstances, interested parties may intervene in the proceedings and participate as a party. You may have the right to intervene in the proceeding, or you may make a statement for the record. Intervention shall be in accordance with A.A.C. R14-3-105, except that all motions to intervene must be filed on or before October 15, 2008. If you wish to intervene, you must file a written motion to intervene with the Commission and send a copy of the motion to Applicant or its counsel and to all parties of record. The motion must contain the following:

1. Your name, address, and telephone number and the name, address, and telephone number of any other party upon whom you wish service of documents to be made.
2. A short statement of your interest in the proceeding (e.g., a customer of the Applicant, a shareholder of the Applicant, a competitor, etc.)
3. A statement certifying that you have mailed a copy of the motion to intervene to the Applicant or to counsel and to all parties of record in the case.

A.A.C. R14-3-105 governs the granting of motions to intervene. The granting of intervention, among other things, entitles a party to present sworn evidence at the hearing and to cross-examine other witnesses. However, failure to intervene will not preclude any interested person or entity from appearing at the hearing and making a statement for the record of the proceeding.
