Paul,

I serve both as Vice-Mayor in my community of Patagonia, and work at AzRISE at the University of Arizona. I have been involved in a number of the meetings of the team working to find alternatives to the 69 kV line in the Sonoita area, and was pleased to hear of your support and leadership at the ACC meeting yesterday. Many thanks for your support for the region, and for your work in clean energy! I would love to see Santa Cruz and Cochise County provide new pathways for what we can do, working from the communities on up.

Meredith Aronson  
Vice-Mayor, Patagonia
