Subject: Thank you & TogetherGreen Grant Info

To all our great Commissioners, yesterday was OUTSTANDING! I can't thank you enough for giving our community a chance to achieve our renewable goals and obtain distributed green energy without sacrificing the beautiful area in which we live. I really hope that SSVEC can use this opportunity to move ahead and become a leader in the renewable field in Arizona. I know we can turn this adversarial relationship around and become true partners, a true cooperative.

I also wanted to let you know that for the sake of brevity yesterday I omitted an important part of our TogetherGreen grant. \$5,000 is set aside for us to obtain professional help in drafting a strategic plan. I was more focused in telling you what we were going to do instead of how we were going to do it.

We are all very excited down here and are looking forward to this challenge.

Again, thank you.

8/21

I called Jeanne Horsmann @ 9:11 a.m. to acknowledge receipt of her email she sent to Chairman Kristin Mayes and the Commissioners.

I told customer that their comments would be docketed so that others may be able to read their remarks they made regarding the outcome of the public comments received at the Open Meeting held in Tucson on Monday August 17, 2009. Customer was thankful and appreciated the call the ACC made to her this morning.

I emailed this OPINION to Carmen Madrid @ ACC Phoenix Office to have this docketed towards Sulphur Springs Valley Electric Cooperative, Inc.-Docket No. E-0157A-08-0328. FILE CLOSED.
