DATE PREPARED: August 24, 2009

COMPANY: Cellco Partnership DBA Verizon Wireless Et Al AGENDA ITEM NO. U-15

DOCKET NOS. T-20598A-09-0262; T-03887A-09-0262; T-02428A-09-0262; T-03016A-09-0262;
T-03346A-09-0262

OPEN MEETING DATE: August 25-26 2009

Page 11, line 16, INSERT New Finding of Fact: "Following the conclusion of the last Merger case involving AT&T, Commissioner Mayes was made aware of a situation involving Queen Valley residents who are unable to receive adequate cell service coverage in their area. Queen Valley residents, who are also currently outside of Qwest's local area network and therefore are forced to pay long distance charges for phone calls into Phoenix, told Commissioner Mayes of their circumstances, and requested assistance in persuading either Verizon – or some other cell service provider – to provide cell coverage for their community. Commissioner Mayes requested that Verizon look into providing service to the area, but to date, neither Verizon nor any other provider has extended its coverage to assist Queen Valley. We believe it is in the public interest for AT&T, which is purchasing the Alltel assets and will provide cell coverage in the area where Queen Valley is located, should re-examine the question of providing service to the area, and provide, as a compliance item in this matter, a plan to provide service to Docket Control, no later than December 1, 2009, or state why it is not feasible to do so."

Page 12, line 17, INSERT New Ordering Paragraph: "IT IS FURTHER ORDERED THAT AT&T shall re-examine the question of providing service to the Queen Valley area as discussed in Finding of Fact No. X, and provide, as a compliance item in this matter, a plan to provide service to Docket Control, no later than December 1, 2009, or state why it is not feasible to do so."

Make all conforming changes.
