Re: *Report Regarding Layoff of AT&T Employees in Arizona Pursuant to
Decision No. 68865; Docket Nos. T-02428A-06-0203, T-03016A-06-0203,

T-03346A-0203*

Dear Mr. Olea,

On behalf of AT&T Inc. ("AT&T"), the purpose of this report is to provide further information regarding three (3) AT&T employees located in Arizona that were given notice of a surplus condition. AT&T notified the Commission of this potential layoff on May 1, 2009. No facility closure was involved. This report is provided pursuant to the third ordering paragraph of Decision No. 68865.

The layoff being considered was intended to improve efficiencies and reduce business expenses. The three management positions were no longer required under the terms of a re-negotiated contract with a customer. In an effort to redeploy the employees within AT&T, the employees retained access to the internal AT&T job search system but were unable to secure a different assignment within AT&T and were laid off. If you have any questions regarding this report, please feel free to contact me at (512) 870-2280.

Very truly yours,

Sharon Mullin
