DOCKETED BY

BOB STUMP,
Commissioner

In the Matter of the Application of Bell Atlantic Communications, Inc. d/b/a Verizon Long Distance to Discontinue Certain Competitive Resold Telecommunications Services in Arizona

Docket No. T-03289A-08-0593

SECOND SUPPLEMENT TO APPLICATION

Through this filing, Verizon Long Distance ("VLD") provides a further update to its Application to Discontinue Certain Competitive Resold Telecommunications Services. Verizon and Frontier Communications recently filed an Application in Docket Nos. T-01846B-09-0274 *et al.* (the "Frontier Docket") in which, among other approvals, the parties seek approval to transfer current customers of VLD within the territory of Verizon California, Inc. to a future subsidiary of Frontier Communications, New Communications Online and Long Distance, Inc. ("NewLD"). Subject to the Commission's approval in the Frontier Docket, those customers of VLD that are transferred to NewLD will not be subject to the future discontinuance in this docket.

As noted in its prior Supplement to this Application, VLD intends to delay the ultimate discontinuance of the remaining presubscribed long distance service customers. Prior to the ultimate discontinuance, VLD will re-notice these customers that will be subject to the discontinuance to provide an update for the projected date of the

1 discontinuance of service, subject to Commission approval. VLD intends to do the same
2 with customers of its Smart Touch service. This will allow customers more time to
3 transition to a new service provider during this extended time. As previously noted, there
4 will be no interruption in service until a final order from the Commission authorizing the
5 discontinuance. At the time of the new notice, VLD will also provide the Commission
6 with an updated filing identifying the new date and requesting that the matter be processed
7 toward a final Order from the Commission authorizing the discontinuance.

8 Dated this 10th day of September, 2009.
