Subject: Global Water Rate Hike

To Whom it May Concern,

I am writing to be a voice heard in this debate. This is absolutely not the time to increase rates on any necessary service. In a time when more homes are in foreclosure since the Great Depression, what genius decided hey now's a great time to raise prices????? Global water needs to keep rates low, help their neighbors and customers stay in their homes be part of the solution, not part of the problem in this time of greed. This is disgraceful and I want your office to help the people say NO to any hike in rates.

Mr. & Mrs. Matteo
