DOCKETED BY

Re: *Mohave Electric Cooperative, Inc.'s ("MEC") Motion to Amend dated September 21, 2009; Docket Nos. E-01773A-04-0528 and E-04100A-04-0527*

Dear Judge Rodda:

We just received MEC's Motion to Amend which seeks to, *inter alia*, delay an AEPCO rate filing to next year, based upon a test year ending December 31, 2009—a concept which MEC and its General Counsel "strenuously" objected to in their May 7, 2009 letter to these dockets. AEPCO, its counsel and its consultants, however, are currently fully occupied complying with Decision No. 71112, which extended the rate case filing requirement to October 1.

AEPCO, of course, will respond to the MEC Motion and we will file that response during the week of October 5, 2009.

Very truly yours,

GALLAGHER & KENNEDY, P.A.
