Dear Mr. Olea,

On behalf of AT&T Inc. ("AT&T"), the purpose of this report is to provide further information regarding three (3) AT&T employees located in Arizona that were given notice of a surplus condition. AT&T notified the Commission of this potential layoff on August 3, 2009. No facility closure was involved. This report is provided pursuant to the third ordering paragraph of Decision No. 68865.

The layoff being considered was intended to improve efficiencies and reduce business expenses. The proposed reduction involved three management employees in the Wholesale Marketing organization. In an effort to redeploy the employees within AT&T, the employees retained access to the internal AT&T job search system but were unable to secure a different assignment within AT&T and were laid off. If you have any questions regarding this report, please feel free to contact me at (512) 870-2280.

Very truly yours,

Sharon Mullin  
Director  
AT&T Services, Inc.
